NOVEMBER 2012

### Voter Guides Made a Difference!!!

"The November 6, 2012 Election was important to all of the people of Indiana. Advance America's non-partisan Voter Guides enabled hundreds of thousands of Hoosiers to know the differences between myself and my opponent on several key issues. Getting the truth out to such a large number of citizens around the state was tremendously beneficial. Thanks for helping my fellow Hoosiers cast informed ballots."

**Mike Pence • Governor - Elected 11/6/12**

"I worked with Eric Miller and Advance America for six years as a State Representative and I look forward to working with him and Advance America as a member of the U.S. Congress to help the families of Indiana. The Voter Guides Advance America prepared for the citizens of Indiana in 2012, as in the past, were prepared in a professional and non-partisan manner. Thank you for helping the citizens in the 2nd Congressional District cast an informed ballot. They were very helpful!"

**Jackie Walorski • U.S. Congress - Elected 11/6/12**

"I want to commend Eric Miller and Advance America for their tireless efforts to encourage the citizens of Indiana to get involved in their government. Thank you for operating in a non-partisan manner and focusing on issues rather than a particular candidate or political party. Thank you for once again providing non-partisan Voter Guides for Hoosier voters in 2012!"

**Steve Stemer • State Representative - Re-Elected 11/6/12**

"This year my opponent and his supporters spent over \$500,000 to run a very negative campaign against me. Advance America's Voter Guides helped voters cut through all of the deception and make an informed choice. The Voter Guides were an excellent source of factual information for the voters in State Senate District 30 so they would know the truth about my positions and the positions of my opponent on issues affecting the families of Indiana."

**Scott Schneider • State Senator - Elected 11/6/12**

"My victory on November 6, 2012 to the U.S. Congress happened because the voters knew where I stood on issues of importance to all Hoosiers. Advance America's Voter Guides were invaluable in helping get the truth to the voters in my Congressional District."

**Luke Messer • U.S. Congress - Elected 11/6/12**

"As a first time candidate for the Indiana General Assembly in 2012, I appreciated the efficient and professional operation of Advance America informing the citizens of Indiana about their government and urging them to get involved. Advance America's Voter Guides had a big impact on the November 6, 2012 Election."

**Peggy Mayfield • State Representative - Elected 11/6/12**
