

URGENT LEGISLATIVE ALERT

Warning: Discretion should be utilized before viewing the Indiana Youth Group website and no minor should be permitted to access the site! We did not list some of the items from their website because we are a pro-family group!

BMV Approves Pro-Homosexual License Plate!

Help Protect Children – Revoke License Plate Now! This Should Not Happen In Indiana!

A **pro-homosexual group**, the Indiana Youth Group, that targets children as young as 12 years of age was given a special license plate by the Bureau of Motor Vehicles recently!

Other Groups Have License Plates That Support Worthy Causes!

Other groups have a special license plate that has been approved by the legislature or the Bureau of Motor Vehicles. These include worthy causes such as: Riley Children's Hospital, military veterans, and Indiana colleges and universities. That's ok!

But it is **not ok** for the State of Indiana to put its seal of approval on a **pro-homosexual group that targets children as young as 12 years of age!**

It's not ok for the State of Indiana to approve a special license plate to be used by a **pro-homosexual group that targets children as young as 12 years of age** to help them raise money for their efforts!

You Won't Believe What They Do!

Here is some information from the website for the Indiana Youth Group, www.IndianaYouthGroup.org, (this is not a church youth group!)

Meetings:

- Girls Who Like Girls Group
- Sex, Dating and Relationships
- Guys Who Like Guys Group
- Why Worry? Free HIV /AIDS, STD/STI Testing

Remember, this pro-homosexual group targets children as young as 12 years of age!

Help Revoke The License Plate Now! Urgent Action Required!

Please contact your State Senator and State Representative with the following message:

"Please immediately revoke the special license plate for the Indiana Youth Group. This is a pro-homosexual group that targets children as young as 12 years old! Please recall all license plates that have already been issued. Please let me know what you will do."
