

Proposed Goshen Ordinance Must Be Stopped!!

# PROTECTING WOMEN, CHILDREN & MINISTRIES

## Action Plan!

Please **call and email Goshen Mayor Allan Kauffman** (who will introduce the ordinance!) and all **7 members of the Goshen City Council** with the following message, "Please oppose the proposed ordinance which would give men legal access to women's and girl's restrooms, women's dressing rooms and women's shower areas in Goshen, and which would make it illegal for Christian business owners in Goshen to refuse to participate in a homosexual wedding ceremony. This is the wrong thing to do for Goshen!"

Supporters of homosexual marriages have launched their next attack! They want to add sexual orientation and gender identity to the current law in Goshen. This would have a disastrous impact on the citizens of Goshen!

### ADDING THIS LANGUAGE WILL:

- Give men, including **sexual predators, (rapists and child molesters)**, legal access to **women's and girl's restrooms, women's dressing rooms and women's shower areas** placing women and children in Goshen at **grave risk of harm!**
- Make it illegal for a **Christian business owner** (baker, florist, wedding planner, photographer, etc.) to refuse to participate in a **homosexual wedding ceremony** in Goshen!
- **Elevate** sexual activity **over** religious freedom in **Goshen!**
- Pave the way in the future for the **government to punish churches and pastors** in Goshen who believe that marriage should only be between one man and one woman!

Passing this ordinance in Goshen will help pave the way for passage of a statewide sexual orientation and gender identity law to harm citizens throughout the state!
