

Advance America Urgent Legislative Alert

Attack on Religious Freedom at the State House!

Senate Bill 100 and Senate Bill 344 Must be Stopped!

The government should **not** punish Hoosiers who believe in marriage between one man and one woman!

There is a major effort at the State House right now to pass **harmful** legislation that would give the **government the right to punish a Christian business owner** (a baker, a florist, a photographer, etc.) who **refuses to participate in a same-sex wedding ceremony** because they believe marriage is only to be between one man and one woman!

- It's **wrong** for the government to **punish** Hoosiers who believe **marriage** should only be between **one man and one woman**!
- It's **wrong** for the government to **attack** and take away religious freedom in Indiana!
- It's **wrong** for the General Assembly to pass a bill to give government approval, legal recognition and special rights to individuals based on their **sexual orientation** (who they want to have sex with) and **gender identity** (what sex they want to be on any given date)!

This **attack** on Christian business owners in Indiana and on religious freedom in Indiana **must be stopped**!

If the government can **punish a Christian business owner** who believes marriage is only to be between one man and one woman, then the **next step** would be to **attack and punish a pastor and a church**!

“All that is necessary for evil to triumph is for good men to do nothing.” - Edmund Burke
