

Advance America Urgent Legislative Alert

Senate Bill 344 – An Attack on Religious Freedom!

State Senate to Vote on SB 344 February 2nd or 3rd!

The government should **not punish** Hoosiers who believe in marriage between one man and one woman!

Senate Bill 344 would give the **government the right to punish a Christian business owner** (a baker, a florist, a photographer, etc.) who **refuses to participate** in a **same-sex wedding ceremony** because they believe marriage is only to be between one man and one woman!

- It's **wrong** for the government to **punish** Hoosiers who believe **marriage** should only be between **one man and one woman!**
- It's **wrong** for the government to **attack** and take away religious freedom in Indiana!
- It's **wrong** for the General Assembly to pass a bill to give government approval, legal recognition and special rights to individuals based on their **sexual orientation!**

This **attack** on Christian business owners in Indiana and on religious freedom in Indiana **must be stopped!**

If the government can **punish a Christian business owner** who believes marriage is only to be between one man and one woman, then the **next step** would be to **attack and punish a pastor and a church!**

Action Plan for Victory!
