

Let the People Vote To Protect Marriage

The House of Representatives **unfortunately** passed an **amended version** of HJR 3! The **State Senate** must change HJR 3, the Marriage Protection Amendment, back to its **original language** so the citizens can vote November 4, 2014 to **stop homosexual marriages!**

Action Plan For Victory!

Contact your State Senator in person, by phone or by email immediately with the following message:

"I **deserve the right** to be able to vote on November 4, 2014 to **protect marriage** between one man and one woman! Please vote to **change** the Marriage Protection Amendment, **HJR 3**, back to its **original language on second reading** and then vote for the **original version on final passage** so I can **vote November 4, 2014 to protect marriage** in Indiana!"

**If you don't know who your Senator and Representative are, go to www.AdvanceAmerica.com and click on "Who Are My Elected Officials" or contact your County Clerk's office.

Citizens in 29 states were given the right to vote on a Constitutional Amendment to protect marriage... and voted "yes" to traditional marriage. **The citizens of Indiana deserve this right too in 2014!**

Homosexual activists and their allies could spend \$2-3 million dollars to stop the Marriage Protection Amendment HJR 3 in the 2014 General Assembly to prevent the citizens from voting in 2014. **They must not succeed!**
