

2017 LEGISLATIVE UPDATE!

April 17, 2017

RELIGIOUS FREEDOM IN SCHOOLS!

BILL: House Bill 1024

AUTHOR: Representative John Bartlett

SPONSOR: Senator Dennis Kruse

SUBJECT: House Bill 1024 would prohibit public schools from discriminating against students based on the student's religious beliefs. For example, HB 1024 would protect a student: who wore a cross to school, who organized a Bible study during the lunch hour, who expressed their belief in the accuracy of the Bible in a homework assignment, and who wanted to organize a time for students to pray before school.

STATUS: HB 1024 passed the House of Representatives on 2/27/2017 by a vote of 83 to 12 and passed the Senate on 3/30/17 by a vote of 44-5. On 4/13/17 the House of Representatives concurred with Senate changes made to HB 1024. HB 1024 now goes to the Governor.

PROTECTING CHURCHES FROM BEING TAXED!

BILL: Senate Bill 467

AUTHOR: Senator Jim Buck

SUBJECT: SB 467 would permit a **local** unit of **government** to **tax churches** by giving them the **authority** to impose a public safety user fee. Churches should **not** be **taxed** in Indiana.

Advance America will continue to **lead** the effort to **protect** churches from being taxed. Taxing churches would **harm churches** and hurt their ability to carry out their ministry in their community. This means families would be harmed as well.

Whether the legislation deals with **user fees** (like SB 467) to be assessed against churches, or a **payment in lieu of taxes** (PILOT), or churches are assessed **property taxes** directly, the result is the same – churches would be **taxed**.

STATUS: In response to the massive outpouring of opposition to SB 467, all of the language dealing with the taxation of churches was removed from SB 467 in a committee hearing on February 21, 2017.

PRO-LIFE!

BILL: Senate Bill 404

AUTHOR: Senator Erin Houchin

SPONSOR: Representative Peggy Mayfield

SUBJECT: Here are some of the provisions of SB 404: parents of a pregnant minor could be able to testify at a court hearing where their daughter is seeking permission to get an abortion without her parents' consent; parents would have the right to sue an individual who assists their minor daughter in getting an abortion; and a doctor who performs an abortion on a girl younger than 16 years of age could lose his medical license if he does not notify the State of Indiana.

STATUS: SB 404 passed the Senate 2/28/17 by a vote of 36 to 13 and the House of Representatives on 4/4/17 by a vote of 75 to 23. The Senate concurred on 4/12/17 with the changes made by the House of Representatives to SB 404. SB 404 now goes to the Governor.

PROTECTING CHURCHES FROM GOVERNMENT CONTROL!

SUBJECT: Churches in Indiana are **currently free** to operate their various ministries **without** government control. Churches are of course required to meet fire codes and sanitation requirements. But the government should **not** be able to tell a church **who** they can hire, **what** they can teach and **how** they operate! This includes **all** of the ministries of the church including: a child care ministry, Vacation Bible School, day camp, Sunday school, Christian school, etc. Unfortunately, some legislators want to **take away** this freedom churches have enjoyed for generations! **Advance America** will continue to **lead** the effort at the State House to protect churches!

PARENTAL CHOICE IN EDUCATION!

SUBJECT: In 2011 Indiana passed the **most expansive** school choice law in the Nation. Every **child** deserves the **opportunity** to get a first class education and every **parent** deserves the **opportunity** to be able to choose where their child will be educated so they can **succeed** in life. That's what **school choice** is all about. Advance America supported the original legislation in 2011 and **supports expanding** the current school choice law so **more parents** can choose where to educate their child.

PROTECTING CHRISTIAN AND HOMESCHOOLS!

SUBJECT: **Parents** in Indiana should be able to **choose** where their child will receive their education. This **includes** a public school, a charter school, a Christian school or a homeschool. Christian schools and homeschools are **currently free** to operate in Indiana. Unfortunately, not every legislator

supports this **current freedom** for Christian schools and homeschools. Advance America will, as we have for **over 30 years**, continue to **lead** the effort at the State House for Christian schools and homeschools.
